| Funded Early Education URN: | |

Example

| Total number of children claiming Universal hours | Number of Universal hours estimated for the term for all 3&4 year olds |
|--|---|
| Example 20 x children eligible for Universal funding, claiming 15 hours per week <u>20</u> | Example 20 x 210 (3&4 year olds attending 210 hours each) <u>4200</u> |

In this example the estimate payment will be calculated as follows:

3&4 year old estimate payment: 4,200 hours x £4.87 – 60% = £12,272.40

Your Estimates

To avoid being overpaid, please base this estimate on the total amount of funded hours required for you to claim, for each child.

| Total number of children claiming Universal hours | Number of Universal hours estimated for the term for all 3&4 year olds |
|--|---|
| | |

Declaration

I confirm that I am only claiming funded early education for eligible children. And that to the best of my knowledge, these children are not claiming more than their maximum hours for funded early education at another setting.
