Wine Appreciation

Do you want to make your own bread or chocolates, or learn how to decorate your Christmas cake? If so, we have the course for you. You may want to try some traditional cooking or baking, or something more complex to impress your friends and family. Perhaps you'd like to try your hand at more exotic cookery such as Thai, Chinese or Japanese dishes. Browse this section for the full range of one day to eleven week courses on offer.

Courses cover all abilities unless indicated differently in the course title. You are required to bring your own ingredients from a list, which will be sent out prior to the start of the class. Containers to transport the completed dishes must also be provided. Any cost of demonstration ingredients has been included in the course fee. We can also offer tailor made courses for groups.
